Daily 8 am - 9:30 pm
(emails & phone only)

Friendly, Fun, And Inclusive Environment

Welcome to This Week at Edgebrook!

March 1st - March 8th

Please note that this email does not include all of the events or programs we offer throughout the week. This email only contains changes, updates, or important reminders for club happenings. Please take a look below for information on club closures, schedule changes, or other news that will make your experience at Edgebrook a positive one.

If you have any questions or comments, please feel free to contact our staff.

Phase 2 Updates for Edgebrook: NO CHANGES. :-)

While other businesses have been able to add more offerings around us, the tennis industry worked hard to get us more playing opportunities earlier within the phases. So - no changes isn't a bad thing for us at Edgebrook.

Masks are required at all times - even during play. Masks should cover both your nose and mouth.

While staff are still reminding a small handful of members of this rule, the reports we are receiving are coming from members on adjacent courts to those who are not adhering to this rule consistently and all of the reports have been in reference to adults.

Please, help us keep Edgebrook a place where all members feel as comfortable as possible during this time. Thank you for your attention to this.

Reminder: Spectators are not permitted at this time.

Current Edgebrook Guest Policy

We are excited to allow our members to bring guests of their choice to play within the facility. We appreciate all of our members adhering to all of our guest and general use policies.

Edgebrook members are responsible for the following:

- Emailing frontdesk@edgebrookclub.org with non-member name and email address at least 24 hours prior to scheduled court play (the earlier members email the guest information to the front desk, the better)
- Guest charges will be added to the member's account who booked the court.
- Guests will be emailed a liability waiver prior to their arrival at the facility. If not already completed, this waiver must be completed on site via their phone prior to admittance to the courts. This waiver needs to only be completed one time for each guest.
- Compliance with payment and check-in process is required.
- Current Guest Policy

General Tennis Use

In accordance with state guidelines, masks are required at all times, even during active play.

Please be sure that you send the names of those who are using the club prior to coming in to help us be sure memberships are up to date.

Just a reminder that play on tennis courts is to end 10 minutes prior to the next scheduled court time. Because we need to clear the facility and disinfect, ALL courts must clear at this time - even if no one is playing on your court directly after you.

The only exception currently, is the last court time scheduled/closing court time for each day - those courts can play up to their normal ending time.

Thanks for your understanding and cooperation.
