**\*\*To ensure only one vote is cast per equity membership, this serves as your official ballot.\*\***

This year, we are asking members to include their name on the bottom of the ballot.  
Last name of the primary member or last name of both adult members is preferred.

This portion of the ballot will be ripped off separately from the tallied votes to ensure that **only one ballot per membership** is being returned and that votes remain anonymous while being tallied.
