1. Cup Committee Overview (includes voting on Cup Committee Chair)

Purpose is to oversee Cups for Edgebrook. It is led by members who determine how it should be run. Each team has two representatives (team reps) on the Cups Committee. We want feedback from the team members so see your team reps. There are meetings to be held in January, March and April 2022 to discuss the criteria for team formations, how to do sign ups and teams selected for 2022-3. Future meetings will probably be on a Wednesday.

Cup Committee Chair for 2021-2 is Lainie Dickson.

No secretary so the job of taking the minutes for the meetings will be shared.

3. 2021-22 team formation recap/What next?

The Committee wants your input on team formation. Some of the past methods include:

- Following Seattle Area Cup Tennis guidelines closely, using a player's USTA rating and having a certain percentage of these players on the team?
- Not following Seattle Area Cup Tennis guidelines?
- Our tennis pros putting the teams together with the Cups Committee going over this list?
- Use current Cup season results to form next season's teams?
- Should a team at the very top of the Cup league (eg. Our current Emerald and Rainier teams) be moved to the next level for next season?
- Sign up at the level where you think you belong?
- Conduct a survey or town hall discussion to gather feedback on team formation?

4. Any business from the floor/issues amongst teams that need to be addressed now:
