If there are any other comments to be considered as part of your team placement, please explain below.

I verify all information provided on this Cups sign-up form as accurate and commit, to the best of my ability, to playing Cups at Edgebrook Club during the 2019-20 season.

I am aware that Edgebrook tennis staff will be putting together Cup placement and teams. Rosters will be announced in April. All appeals are due in writing and must be received within 2 weeks of the roster being posted.

I understand that Cups team formation is based on a very large picture and that signing up to play and then dropping out will affect the entire Cups program and could result in my inability to sign-up for Edgebrook Cups in future seasons.
