Junior Tennis Evaluations

We will do evaluations for those who have significant tennis experience and feel they fall between two levels (ie, beginner vs intermediate or intermediate vs advanced). Players currently enrolled in our Junior Program do not need to attend evals.

Our only evaluation date is scheduled for **Friday, May 3rd starting at 4pm and closing at 5:30pm.** Evaluations are done on a first-come, first-served basis and should take only 10 minutes once your child is on the court. No registration is needed. Evaluations open to current equity, junior and summer members only.

If your child is new to tennis, please sign them up for BEGINNER and the appropriate ball for their age as listed on the description page. **Evaluations are for those who have played tennis previously or are coming from a different program.**

Junior Tennis Program – What to Bring/What to Wear

What to bring:

- Water bottle (enough water for the entire class)
- Appropriately sized tennis racquet

Optional, but recommended items for outdoor classes:

- Sunscreen for reapplication
- Bag WITH hook
- A carabiner hook is GREAT! It will allow you to hang your bag on the fence OFF the ground and help us be sure your items are adequately distanced from others.

If you need some of these items, there are many options for purchasing. Sturtevant's in Bellevue and www.tennis-warehouse.com and are potential starting points for those needing some help.

What to wear:

Appropriate court attire is required for class each day.

- Non-marking athletic shoes are required.
 - For students in Intermediate and Advanced level classes, we strongly recommend tennis court shoes.
- Athletic Pants, Shorts or Tennis Skirts (jeans are not permitted)
- Athletic Shirts (no cut off tank tops)

We do not have shoes or clothing items on site. Please come to class prepared. Students who are not dressed for play will be unable to participate.

Top thing to bring to Edgebrook Junior Tennis programming:

A good attitude and willingness to learn!

If your child does not take instruction well and cannot adhere to guidelines while participating in programming at Edgebrook, they will be removed from the programming at your expense.

Please, talk with your child about how they can best enjoy their class experience.

Junior Tennis Program – Outdoor Court Expectations

- Inclement weather may mean that class is cancelled for the day. We will make the decision to cancel classes at least 45 minutes before its scheduled start time. You will be notified via email and text only. (Have you opted into texts? Please email Frontdesk@edgbrookclub.org if you are not sure.) **We will not be able to call all participants.**
 - In this case, class pricing will be pro-rated. Summer members will receive a refund at the end of the week. Equity and Junior Tennis Members will see an adjustment to their charged amount on account.
- Because our instructors have tight teaching schedules, between classes, please do not talk or chat with them during the transition times. If you have anything you would like to discuss, please email the pro you wish to talk with directly. You can also email the front desk at frontdesk@edgebrookclub.org and we will direct the email to the appropriate instructor.
