

Junior Tennis Program – Levels 2-5 Outdoor Court Expectations

- **If you are feeling sick, you MUST stay home.** A brief questionnaire on symptoms at check-in each day should be expected by class participants.
- Pros will start each week with clear expectations for each court of play and each day with safety reminders
- Hard rules:
 - Masks (that fit your face appropriately) must be worn while entering and exiting the courts – indoor and outdoor – and while moving about the facility grounds
 - 6 feet distancing **always**
 - No touching tennis balls
 - No high fives/physical contact
 - Students will be given ONE warning before parents are contacted and they are removed from the class.
- Same kids and instructors all week for as much as we are able
 - Edgebrook staff will put together similar skills, as possible, on the same court.
 - Personalities and friendships will also play into groupings to increase enjoyment for those kids who want to be together.
 - Instructors will not rotate from court to court. Instructor changes during the week will be kept at a minimum.
- Inclement weather means class is cancelled for the day. We will make the decision to cancel classes at least 45 minutes before its scheduled start time. You will be notified via email and text only. (Have you opted into texts? Please email Frontdesk@edgbrookclub.org if you are not sure.) We will not be able to call all participants.
 - In this case, class pricing will be pro-rated. Summer members will receive a refund at the end of the week. Equity and Junior Tennis Members will see an adjustment to their charged amount on account.
- Instructors will be teaching with gloves on and will be the only ones handling, touching or feeding balls.
- While we know that serves are an important part of the game, we will not be working on serves during our junior program instruction for at least the first few weeks.
- Sanitizing materials are provided on each court and all equipment will be disinfected between classes as recommended by product standards.
- Please apply sunscreen prior to coming to class.
- Because our instructors are all busy disinfecting between classes, please do not talk or chat with them. If you have anything you would like to discuss, please email, text or call them. Stephen Welt, the Edgebrook Tennis Director, is available via email at Stephen@edgebrookclub.org.
- **If your child does not take instruction well and cannot adhere to social distancing guidelines while participating in programming at Edgebrook, they will be removed from the programming at your expense. Please, talk with your child about how they can best enjoy their class experience while maintaining distancing of 6 feet at all times.**

- Hat/Visor, Sunglasses (Levels 2-5)

Optional, but recommended items for Levels 2-5 ONLY:

- Sunscreen for reapplication
- Personal hand sanitizer (your teaching pro will have hand sanitizer for each court, but we welcome you to bring your own)
