

2018-2019 JUNIOR PROGRAM Informational Guide

The Edgebrook Junior Tennis Program is designed to provide an educational tennis experience in a fun and safe environment for all levels of play. Junior program participants will learn the basic fundamentals of the game as they move from one level to the next.

Our staff is looking to accelerate tennis development through meaningful and intentional instruction so that players can compete with their peers, if they choose. Because each player is unique in ability and skill set, we believe in helping players reach their full potential, regardless of their playing background.

Enrollment

Enrollment in the Junior Tennis Program is on a first-come, first-served basis, and ultimately depends on class availability. We will keep strictly within the maximum participants in each level as outlined in our level descriptions. Once your child is in the Junior Tennis Program, he/she will be automatically re-enrolled for the months following unless we receive a written notice to cancel. To cancel the Junior Tennis Program classes, you must have the front desk record the change request on your enrollment form. *Please note: Canceling a class is not the same as canceling your club membership!*

Communication

Edgebrook uses email as the main source of communication with our families. Because we know just how busy you all are, we try to limit our communication to just the important changes. This packet will provide a basic guideline for the year. We ask that all members and pre-members provide accurate contact information to help us best communicate any changes or updates. Please notify the front office should any of your contact information change.

Any questions or concerns regarding your athlete should be directed to our teaching pros (Sean or Nate) or our Tennis Director (Stephen) outside of teaching hours. We ask that parents limit their time with pros before or after classes to help the students who may be finishing up or preparing to start gain the best use of their sessions. If you would like to schedule a time to talk with our Tennis Director at length, please contact him ahead of time.

Holidays/School Breaks

Holidays are worked into the calculation of our monthly fee. During the winter, if the Bellevue School District closes due to inclement weather, our Junior Program will also be cancelled and class fees will be adjusted accordingly.

Payment

Pre-members must pre-pay for their Junior Program play by the 20th prior to the start of their month of play. Because we typically have players waiting to participate, if payment is not received by the 20th, your player will be removed from their class and the next person on the waitlist will be added.

If your child is enrolled in our Junior Tennis Program, we are holding a space for your child for the month. **You will be charged the full monthly rate whether or not your child attends all of the available classes.** We do not offer make-up classes. In case of injury or other extenuating circumstance, prorating of classes must be discussed and cleared *in advance* with the Tennis Staff. If approved, you are responsible for notifying the office staff by filling out the “change request” on your original Enrollment Form. Junior Members and Equity Members will be billed at the end of the month for their participation.

The anticipated *pre-tax* payment rates for each month are listed below:

Supervised Match Play Philosophy

Match Play is an important part of player development. Players should arrive by 4:00pm and be prepared to play intermittently until 6:00pm once a month on their scheduled match play date. Play structure will vary between the levels and depending on attendance, but all players should expect round-robin or tournament style point play for both singles and doubles. Edgebrook will have tennis staff on hand to oversee the matches and give guided feedback to the players on the courts. Match play dates will follow a general schedule as noted previously but may change due to school schedule.

Progress Report Cards

All athletes will receive progress report cards in class at the end of the following months: November, March, June. Athletes should utilize this feedback to monitor progress throughout the year.

Private Lessons

If you are interested in Private Lessons in addition to Junior Program classes, you can reach out to any of our Tennis Pros to check their availability and for pricing.
