

2021-2022 JUNIOR PROGRAM Informational Guide

The Edgebrook Junior Tennis Program is designed to provide an educational tennis experience in a fun and safe environment for all levels of play. Junior program participants will learn the basic fundamentals of the game as they move from one level to the next.

Our staff is looking to accelerate tennis development through meaningful and intentional instruction so that players can compete with their peers, if they choose. Because each player is unique in ability and skill set, we believe in helping players reach their full potential, regardless of their playing background.

Enrollment

Enrollment in the Junior Tennis Program is on a first-come, first-served basis, and ultimately depends on class availability. Capacities for each level will be based on club determination and will never exceed any guidelines set by the state. **Once your child is in the Junior Tennis Program, he/she will be automatically re-enrolled for the months following unless we receive a written/email notice to cancel.** To cancel the Junior Tennis Program classes, you must notify the front desk via email. Verbal cancellations are not accepted. *Please note: Canceling a class is not the same as canceling your club membership!*

Once enrolled in the program, you do not need to be on a waitlist to move levels. Once teaching staff believe your child is ready to move up and there is space in the next level, we will contact you. Members enrolled have priority for level movement before new program registrants.

Communication

Edgebrook uses email as the main source of communication with our families. Because we know just how busy you all are, we try to limit our communication to just the important changes. This packet will provide a basic guideline for the year. We ask that all members provide accurate contact information to help us best communicate any changes or updates. Please notify the front office should any of your contact information change.

Any questions or concerns regarding your athlete should be directed to our teaching pros (Sean, Alex N or Jaimie) outside of teaching hours. In person meetings are not permitted at this time. We ask that you respect our guidelines prohibiting gatherings and in-office meetings.

Holidays/School Breaks

Holidays are worked into the calculation of our monthly fee. During the winter, if the Bellevue School District closes due to inclement weather, our Junior Program will also be cancelled and class fees will be adjusted accordingly.

Payment - Members

If your child is enrolled in our Junior Tennis Program, we are holding a space for your child for the month.

You will be charged the full monthly rate whether or not your child attends all of the available classes.

We do not offer make-up classes. In case of injury or other extenuating circumstances, requests to prorate classes must be submitted *in writing* to the front office. We must receive an email from you by the 20th of the month if you wish to have your child removed from the program. If we don't hear from you by the 20th, your child will be automatically enrolled and charged for the following month.

Many of our levels end up with full waitlists; please be respectful of those wishing to participate in our program by giving appropriate notice so that more members can participate.

Supervised Match Play Philosophy

Match Play is an important part of player development. Players should arrive by 4:00pm and be prepared to play intermittently until 6:00pm once a month on their scheduled match play date. Play structure will vary between the levels and depending on attendance, but all players should expect round-robin or tournament style point play for both singles and doubles. Edgebrook will have tennis staff on hand to oversee the matches and give guided feedback to the players on the courts. Match play dates will follow a general schedule as noted previously but may change due to school schedule. For every THIRD month of match play your child attends, they will get an Edgebrook Junior Tennis t-shirt! Encourage them to come often!

Progress Report Cards

All athletes will receive progress report cards in class at the end of the following months: November, March, June. Athletes should utilize this feedback to monitor progress throughout the year.

We do not have extra racquets, shoes or clothing items on site. Please come to class prepared. Students who are not dressed for play will be unable to participate. If you need some of these items, there are many options for purchasing, but www.tennis-warehouse.com and Sturtevant's in Bellevue are potential starting points for those needing some help.

Program Waitlist

If you have taken junior program tennis at Edgebrook in the past 2 years, you can ask to be placed on the waitlist at your previous level without an evaluation. If you would like to be re-evaluated for junior program placement or are new to Edgebrook Junior Tennis, you will need to have an evaluation prior to registration. Please check our website for upcoming evaluation dates and times.
