Current/New Business:

1. Review of Previous Meeting Minutes: Linda motioned to approve. Jeff seconded. Approved.
2. General Updates:
 - Cups Updates: All reported to be going well. Cups Holiday Party 12/11.
 - Social Events/Calcutta.
 - i. Had more players this year but bidding and auction participants were down.
 - ii. Chauntelle reported feedback from Alex: The amount of people that dropped out last minute, finding replacements at their level was difficult.
 - iii. Ideas for next year: bios for all players to be read during the auction. Baskets with tickets, lessons, etc. to give to highest bidder; Contests for best partner costume, etc.
 - iv. Jeff suggests potentially exploring the proceeds going to a charity instead of teams.
 - USTA Updates: ratings releases are set to come out 12/1; 12-14 teams estimated for the upcoming 40+ groups. Chauntelle noted less questions have come back after sending out the FAQs to the membership (a suggestion from a previous meeting). Alex and Chauntelle working on creating a package for USTA teams to be paired with a pro for training, etc. Finalizing details regarding pricing, etc., next step to take to the board meeting next week for approval. Likely only three slots available for teams.
 - Tennis Facility Update:

- i. Main wall on Court 1 still needs banding across but otherwise will be done with courts 1-3. Linda says reports heard are that it looks good.
 - ii. Water dispenser on Court 3 has arrived but ordering a base to ensure water doesn't pool on the court. Jeff suggests leaving the machine between courts 2 and 3, along the wall/behind the curtains.
- Flights:
 - i. Chauntelle reporting the Nov/Dec flights are full and a lot of subs too. Aside from the 6:30am flight, which did not have enough people to sign up to have it. Also, less closed courts in the September/October flight than earlier in the year.
 - ii. Jeff suggests maybe looking into having the flight sign-ups open at a different time instead of having at the same 8:30am time where the other courts are open.

Next Meeting: TBD

Adjourn: 5:41pm
