Conflict of Interest Policy

The purposes of this Conflict of Interest Policy are to protect the integrity of The Edgebrook Swim & Tennis Club (the "Club") and the Club's decision-making process, as well as to enable our members to have confidence in the integrity, intentions and actions of the directors, officers and staff members of the Club.

Whenever a director, officer or staff member of the Club has a financial or personal interest (directly or indirectly) in any transaction or similar matter with the Club (a "Conflict of Interest"), the affected person shall (a) fully disclose the nature of the interest to the Board of Directors of the Club and (b) withdraw from discussion, lobbying, and voting on the matter. Before the Club enters into any transaction or similar matter involving a Conflict of Interest, such transaction or similar matter shall be approved by a majority of the disinterested members of the Board of Directors determining that it is in the best interest of the Club to enter into such transaction or similar matter. The minutes of Board of Directors meetings at which such votes are taken shall record such disclosure, abstention and rationale for approval.

As approved by the Board of Directors on October 23, 2014.
