1. Review of Previous Meeting Minutes
  - Motioned for approval by Sharon Kay. Seconded by Raj Kilambi. Approved.
2. Flights Feedback/Review
  - Decision on March/April Flight session format
    - Due to lack of TC members on the call, it was decided this discussion and decision would need to be tabled. March/April flight will remain under the current format.
  - Singles Mini-Flight Recap
    - 22 women and 22 men participated! Lots of great feedback from those who played and requests for more mini-flight sessions like this in the future. Due to court restraints once USTA season starts, we will not be able to run another session at this time. Chauntelle will continue to monitor opportunities to run mini-flight sessions in between USTA seasons or when USTA team sign-ups are low allowing for additional court space.
3. Upcoming Mini-Tournament Club Event
  - Finalizing details behind a mini tournament at the end of the month for doubles players. Tennis staff will run each evening on 6pm and 7:30pm courts on Friday, Saturday and Sunday.
4. Upcoming USTA Season Overview
  - 12 teams for the upcoming 40+ season with some teams opting out with not enough players interested in playing. Masks being required for play and covid concerns have left players dropping off of teams.
