THE EDGEBROOK CLUB
Tennis Committee Meeting
June 13th, 2022

Call to Order: 6:08pm

Attendance: [x] Lainie Dickson, [x] Ranjit Prabhu, [] Paul Cho, [x] Suzanne Rittenhouse, [] Jeff Howard, [x] Raj Kilambi, [x] Chauntelle Johnson, [x] Cindy Hastings, [] Michael Ko, [x] Stefanie Walker

Current/New Business:

1. Review of Previous Meeting Minutes. [Approved.](#)
2. General Court Reservations:
 - Court Usage:
 - Oct 2021: 83%
 - Nov 2021: 86%
 - Dec 2021: 79%
 - Jan 2022: 91%
 - Feb 2022: 88%
 - Mar 2022: 89%
 - April 2022: 81%
 - Allow a 4 or 3 day reservation as long as it's not a premium time ie week night's or weekends? (Suzanne)
 - [Suzanne: Used to be two reservations per week/can this stay the same?](#)
 - [Discussion around this.](#)
 - Opening online and phone reservations at the same time (Ranjit)
3. Flights:
 - I suggest lowering the points awarded for courts (Suzanne)
 - I would like to try 3 2 1 0. It's almost impossible to get off the bottom court even if you end up on a higher court because you don't have enough points to start the next session on that court
 - [Committee discussed this option and decided to leave the current scoring as is. For the summer session.](#)
 - Sub cannot move a player up a court regardless of their final score on that court. (Ranjit)
 - The highest non-sub on the court moves up a court. If all four players on the court are subs, only then the highest sub on the court gets to move up a court. Subs can move down a court as they currently do if they have the lowest score on that court.
 - Cap the maximum points that a sub can earn to 14. (Ranjit)
 - This will net out to 12 after the deduction of 2 for a sub. A sub can therefore help a no-show maintain their standing on that court at best.
 - March/April stats: 20% of flights subs had 12.5 or higher
 - [Short discussion: Chauntelle said she would bring these data points to meeting in the fall and compare the summer season results based on these items: subs moving a player up from a 9pm court to a 7:30pm court, number of subs that scored 14 or more.](#)
 - Two highest scores players moving up and two moving down. (submitted via email suggestion)
 - So most have a chance to play against different players w/different sets of skills.
 - Partner up with different player each week and play one set prior to changing partners (not 8 games). (submitted via email suggestion)

- Just like in Cups, u get one point for a whole set win and must win by 3 games to get additional point in the 2nd set; otherwise point will be split.

4. USTA:

- Email teams forming separately like we do for flights and cups. Some of our players missed out. (Suzanne)
- Also should a team have 18 players including lower level players? (Suzanne)
- Chauntelle to share emails/comments that were sent in hopes of anonymity
 - “Please don’t make choices without asking more of the members”
 - I think the tennis committee members should not be able to decide about important changes for all members.
 - “If a team wants to be competitive or wants to be just for fun, then captains can decide and make a team for that purpose. USTA is not like cup or flights, it’s more of a variety of different kinds of teams, players to play with or against. Let players make their own teams, It gives players/club members the ability to play lots of different people that can’t play cups or flights. I think this is an unwanted suggestion by many members.”
- USTA teams should stay the same. Chauntelle mentioned that lots of feedback had come in regarding member not wanting to change the way that teams are put together. Since members are not guaranteed to be placed onto team, the general feedback was to leave the current team makeup as is and for Chauntelle to continue trying to add members to teams when teams needed more players.
