Special Announcements

At this time, we have no changes to our programming or schedules. In agreement with many local health recommendations, we are encouraging any of our members who are at high risk of severe illness to stay home and away from large groups of people as much as possible.

We are continuing to be vigilant in our cleaning practices here the club, both before we open and throughout the day. We are paying special attention to exposed surfaces, handrails, tables, chairs, doorknobs and water stations throughout the facility.

We are asking that our members please help minimize risk in our facility by doing the following:

- Washing your hands often
- Using hand sanitizer while on site
- Avoiding close contact if unnecessary
- Avoiding potential cross contamination situations

While not required, we also encourage our members to bring in new, unused balls for court use and that they be sure those balls are all accounted for when play has concluded.

Most importantly - **please stay home if you are showing any symptoms of illness**. We encourage all of our members to do what is best for themselves, their homes and family members, and the Edgebrook community.
