Opening Weekend for the Pool

What a great opening weekend! Thank you so much to the members who came by and stayed patient with us as we continue our transition with our new POS system and online portal!

After just two days of the pool being open, we are sad to report that multiple dispensers throughout our locker rooms have already been destroyed. ☹ Please be patient with us as replacements are delivered. We would appreciate our adult members reminding our youth members to take care of our facility.

We are also working with our vending machine company to correct the melting chocolate issue from this past week and to get the correct cold treat machine and product on to the pool deck!

We are looking forward to our first day of swim team practice this afternoon! Thanks for making

Edgebrook Club so amazing!
