

Edgebrook Club

Guest Policy - Effective October 1st, 2020

Edgebrook members are responsible for the following:

- Emailing Frontdesk@edgebrookclub.org with non-member name and email address at least 24 hours prior to scheduled court play (the earlier members email the guest information to the front desk, the better)
- Guest charges will be added to the member's account who booked the court
- Guests will be emailed a liability waiver when they arrive to the facility just prior play. This waiver must be completed on site via their phone prior to admittance to the courts. This waiver needs to only be completed one time for each guest.
- Compliance with payment and check-in process is required.

We are excited to allow our members to bring guests of their choice to play within the facility. We appreciate all of our member adhering to all of our guest and general use policies.

*Guests are not permitted for any group class or private instruction.
